We hope that you had a great end of 2022 and beginning of 2023! Here at West Central Camp, it was busy but it was great! Above, you see some of the pictures that were taken from the Jr. and Sr. High Winter Retreat this past December! There were 70 students able to attend this Winter Retreat and they had a blast. "Priceless" was the theme for this year's Winter Retreat!

News & Needs

First, we want to thank each and every church and individual for supporting us through 2022! We are a camp that has been extremely blessed by God throughout the years! We also are a camp that exists and is able to financially function because of the generous donations and support from all of you in your faithfulness to God! Thank you for making 2022 a successful camp season and year! Pray with us as we go into 2023 and walk alongside us as we build on that success for this new year and season! Below are some of our Needs.

- We will be sending out our Food & Supply Donation Lists in mid-February.

- We have provided a link if you want to view our Camp “Wish List” on Amazon. This list mainly consists of different types of sports equipment, games, recreation type of stuff and Medic supplies. Those items would be easy to add to your Amazon cart and sent directly to the camp at: **24310 Mahin Rd La Monte, MO 65337**

- We would like to update our Grace Givers List! What is a Grace Giver? A “Grace Giver” is an individual, couple or church that would like to support the camp more than they may already be doing. When the camp is in a time of need, we may call on our Grace Givers for help with the additional expense/finance. The Grace Giver signs up with an amount that they are willing to give for no more than two times (unless they desire to do so) in the calendar year. Since early 2020, the camp has not had to call on the Grace Givers program. While we have not had to use the Grace Giver program since 2020, we want to be prepared as we continue to move forward. To sign up, simply send us an email at: westcentralcamp@gmail.com with: (1) your name, (2) amount you are willing to give [up to two times] and (3) your phone number.

NOW TAKING APPLICATIONS FOR SUMMER STAFF!

We are now hiring for our summer kitchen staff! Great work environment! Lodging, meals and weekly pay provided. We will train each individual and pay for Food handling certificates. This is great for those college kids that want to have a job, not spend any money, gain work skills and gain quality references for future jobs!

INTERN OPPORTUNITIES

We also have intern opportunities at West Central! If you know of a student that is a Freshman through Junior grades in High School that would like to intern at camp for one week - they will receive one week of camp for free. They also are provided lodging and meals for their intern week. Limited space for interns - please get in contact as soon as possible!
